BEHAVIORAL HEALTH

Primer- ASAM Continuum Interface #1543

Beginning October 2021 SWMBH will deploy enhancements allowing users to access the ASAM Continuum while logged into the SWMBH Care Management Application. Upon completion of the ASAM Assessment in the ASAM environment, scores will be imported to the SWMBH CM Application for use in authorizing services.

Accessing ASAM Continuum

1. Upon logging into the application, navigate to the Client: CM Events banner;

2. From the CM Events screen users can view previously completed ASAM Continuum Events or select the New Event icon  from the toolbar to create a new assessment.
3. From the CM Events Detail screen, users will select ASAM Continuum Assessment from the Event dropdown and complete all other fields;
