	Section 1: Staffing Costs	Possible	Actual	Percent
A	List of all employees related to the contract.			
	All individuals shown receiving a salary or wage are employees of the			
В	agency (contracted staff)?			
	There is appropriate and sufficient documentation to support the			
С	monthly figure reported on the Financial Status Report (FSR).			
	For employees who split their time among two or more programs there			
C.1	is supporting documentation to justify the time/payroll split.			
	All payroll check amounts are supported by source documentation			
	showing current pay rates, hours worked, etc. such as pay stubs or			
	payroll checks, employee offer letters, hire sheets or employment			
C.2	contract documentation with rate of pay and job description.			
C.3	Checks/direct deposits are issued only after work has been performed.			
	The authorization of the paycheck for the individual who signed the			
D	paycheck is done by someone other than the signee.			
	Section Total			
	Section 2: Supplies and Materials	Possible	Actual	Percent
Е	There are original receipts to support all expenses claimed.			
	All expenses listed on the receipts are deemed appropriate for this			
	category. I.e. drug screening materials, supplies for group, oral swabs,			
F	books, additional equipment and supplies.			
	All expenses are submitted, recorded and paid in a timely manner			
G	within a quarterly basis and a minimum of four times a year.
