

Opioid Health Home Overview

Eligibility:

To be eligible for OHH, customers must:

- Live in SWMBH Region
- Have active Medicaid in SWMBH Region and not enrolled in a competing Waiver program
- Be diagnosed with an opioid use disorder

Enrollment:

Providers will discuss OHH with eligible customers. If interested, Providers will then:

- Complete enrollment paperwork with customer (see below)
- Send paperwork to SWMBH (through WSA)
- Complete Care Plan with customer within 30 days of enrollment

Required Enrollment Paperwork:

- MDHHS 5515 Consent Form completed with MDHHS, HHP, SWMBH, OHH, and any other providers (PCP, mental health provider, etc)
- Consent to Treat Form
- Biopsychosocial from within the last 12 months
- Needs Assessment (must be completed within 30 days of enrollment)
- Care Plan (must be completed within 30 days of enrollment)

Disenrollment:

Customer can disenroll from OHH at any time for one of the following reasons:

- Client-initiated (voluntary)
- Client administratively discharged from treatment
- Client moved out of SWMBH Region
- Client is no longer eligible for Medicaid
- Client is deceased

Paperwork Updates:

Customers must complete annual paperwork including:

- MDHHS 5515 Form
- Biopsychosocial

Needs Assessments and Care Plans must be reviewed at least every 120 days.

Opioid Health Home Encounters:

Customers do not need to be present or involved for encounter to occur (ie: care coordination with other providers), but must be met with via phone or in person at least once monthly.

Examples of OHH encounters include but are not limited to:

- Care coordination with other providers
- Team huddles
- Care consultation
- Coordination with community resources
- Entering toxicology screenings
