Southwest Michigan Behavioral Health complies with applicable Federal and State civil rights laws and does not discriminate on the basis of race, national origin, color, sex, disability, religion, age, height, weight, familial status, partisan considerations, or genetic information. Sex-based discrimination includes, but is not limited to, discrimination based on sexual orientation, gender identify, gender expression, sex characteristics, and pregnancy. Southwest Michigan Behavioral Health does not exclude people or treat them differently because of any of these categories.

Southwest Michigan Behavioral Health:

- Provides **free** aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, Braille, other formats)
- Provides **free** language services to people whose primary language is not English or have limited English skills, such as:
 - Qualified interpreters
 - Information written in other languages

If you need these services, contact Customer Services.

If you believe that Southwest Michigan Behavioral Health has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with:
