I. Purpose

To describe the contracting of specialized services for women and their children.

II. Policy

Southwest Michigan Behavioral Health (SWMBH), which is the Prepaid Inpatient Health Plan (PIHP) and Coordinating Agency for Barry, Branch, Berrien, Calhoun, Cass, Kalamazoo, St. Joseph and Van Buren counties in accordance with the Michigan Department of Health and Human Services (MDHHS) will contract for specialized services for women and their children. SWMBH executes the plan requirements by and through the Women and Families Case Manager.

III. Standards and Guidelines

- A. Services for women and their children are identified as a priority population under Substance Abuse Prevention and Treatment (SAPT) Block Grant regulations. Services are designed to treat the customer's level of severity and to achieve permanent changes in a customer's alcohol or drug-using behavior.
- B. The Women and Families Case Managers/programs will advocate to increase and/or improve services for women and families in the region.
- C. The Women and Families Case Managers/programs will, in coordination with SWMBH, monitor and evaluate the activities of women's designated programs in the region.
- D. The Women and Families Case Manager/programs will advocate for priority placement of pregnant women and will provide interim services as necessary.
- E. The Women and Families Case Managers/programs will coordinate prevention services with state and local agencies.
- F. The Women and Families Case Managers/programs will coordinate medical services with primary care physicians and/or Ob-Gyn's for pregnant women and women with dependent children in substance abuse treatment.

SWMBH Operating Policy 11.4

- G. Services for Women and their Children will be provided in a manner consistent with MDHHS Office of Recovery Oriented Systems of Care (OROSC) Substance Abuse Treatment Policy #12 (Women's Treatment Services).
