I. Purpose

To establish the standards that define, guide and detail how Southwest Michigan Behavioral Health (SWMBH) and its provider network comply with the federal laws and Michigan Department of Health and Human Services (MDHHS) Contract requirements pertaining to the jail diversion practices including the Jail Diversion Policy and Practice Guideline.

II. Policy

It shall be the policy of SWMBH to ensure the availability of jail diversion services across Southwest Michigan to all individuals with intellectual/developmental disabilities, substance use disorder and/or co-occurring or mental illness and to monitor the effectiveness of the Community Mental Health Service Providers in fulfilling Section 207 of the Michigan Mental Health Code (MMHC). Each community mental health service program shall provide services designed to divert persons with with intellectual/developmental disabilities, substance use disorder and/or co-occurring or mental illness for possible jail incarceration when appropriate. These services shall be consistent with policy established by the department. The MDHHS Contract Attachment P.6.8.4.1 is adopted as the model for the Community Mental Health Services Providers (CMHSP) to incorporate into local practice.

III. Standards and Guidelines

A. Jail Diversion Process: Involves identification of Community Mental Health (CMH) treatment needs among the individuals alleged to have committed misdemeanors or certain, usually non-violent, felonies and who voluntarily agree to participate in the recommended CMHSP services as an alternative to incarceration. Depending on the point of contact with the justice system, diversion may occur pre-booking or post-booking into jail custody. Each CMHSP will offer a jail diversion screening within 24 to 48 hours of law enforcement or jail personnel referral or conduct an

emergency assessment if the situation warrants.

- B. Jail Diversion Screening: When requested by law enforcement or the individual or person acting on behalf of the individual, a voluntary face to face screening by local CMHSP staff will be conducted. Then CMHSP staff will report their findings to law enforcement and the courts will make the decision as to whether or not diversion will be offered to the individual.
1. SWMBH Responsibilities: SWMBH has a regional committee composed of the CMHSP staff who meet regularly to review regional jail data and to develop/collaborate on regional and local jail diversion training opportunities. SWMBH is responsible for the monitoring of CMHSP activities to fulfill their responsibilities in these areas.
 2. CMHSP responsibilities for Jail Diversion in a written collaborative agreement with law enforcement shall address the following:
 - a. Identification of liaison personnel to coordinate key interactions and maintain current agreements with local law enforcement agencies.
 - b. Liaison staff or designee will participate in a regional workgroup to assure consistency across the region.
 - c. Participation in local community corrections board meetings and/or maintain regular contact with representatives of the criminal justice system to review jail diversion procedures and local concerns.
 - d. Maintaining open communication regarding procedures and agreements while preserving standards of confidentiality.
 - e. Actively promoting and offering cross-training activities necessary to assure that CMHSP staff and representatives of local criminal justice agencies have a common understanding of jail diversion procedures and how individuals who may be appropriate for jail diversion in lieu of incarceration are identified and diverted to services.
 - f. Addressing criteria and/or processes related to screening, assessment and specialty services such as targeted case management and supports coordination.
 - g. Providing diversion activity and outcomes to relevant stakeholders including the general public
 - h. Maintaining a database that tracks key demographic information and diversion efforts throughout the region including:
 - i. Unique consumer ID assigned by the CMHSP.
 - ii. Date of Diversion
 - iii. Nature of alleged offense
 - iv. Diagnosis
 - v. Service/Treatment Person Diverted to

Reports generated through the electronic medical record are audited quarterly for accuracy and completeness. The CMHSPs and SWMBH will work together on an annual submission to MDHHS.
